CHAIRMAN'S MESSAGE

Interwood is today a household brand name that is synonymous with high quality international standard furniture, including home & office furniture, kitchens, doors, wardrobes, flooring, accessories and so much more. In addition to catering to homes, however, we also lend our brand of ready made and customized furnishing solutions to hospitals, educational institutions, banks, corporations, hotels, luxury residences, retail brands and mega infrastructural projects like international airports.

We are humbled by our achievements and are grateful to our partners, our competitors and of course our customers in helping us reach to where we are today. We remain ever committed to continue evolving and delivering high quality and affordable products to our customers.

ACHIEVEMENTS AND REWARDS

Interwood has excelled tremendously over the decades providing high quality products to different consumers worldwide. Its success is based on the trust of its customers.

(1) In April 2017, Interwood won the prestigious Pakistan Advertising Society (PAS) award in the office furniture category. In this campaign they introduced their new range of Workstations, Flo Linear, by airing the first television commercial for their office ware.

(2) On 9th March, 2012, All-World Network held an event in Lahore, evaluating companies in different regions on various parameters, including growth rate. Out of 100 companies that participated in the event, Interwood ranked 56th fastest growing company in Pakistan.

(3) Based on trust of its customers and the quality service it had provided worldwide, Interwood secured a winning position at All-World Network's Pakistan Fast Growth 25 for entrepreneurial companies.

(4) In 2007, Interwood Mobil (Pvt.) Ltd. is proud to have achieved the distinction of being the only furniture manufacturing company in the country to get ISO: 9001:2000 accreditations by the world's renowned auditors MOODY INTERNATIONAL.

(5) Interwood is the first ever U.A.E Q-Mark certified company in South Asia by BM-TRADA. It achieved this certification for fire-rated doors in 2008. This certification recognizes Interwood's extensive establishment of infrastructure, specifications, systems and the ability to produce the fire-rated doors of type FD-30, FD-60, FD-90 and FD-120.

(6) In 2017, Interwood achieved the certification to be the First Company in Pakistan to manufacture FSC (Forest Stewardship Council) certified furniture and fixtures.
