WALK IN CLOSET

An advanced built-in storage system perfect for an exquisite closet space, which lets you organise your wardrobe in the best way possible.

MEETING ROOM

Guest or meeting rooms, lobbies, business centers or gyms – the areas of applications for our products are plenty. Dynamic use of space, enclosing storage areas or stylish closet doors can all be realized with our high-quality door systems.

BUILT IN CLOSET

Designed to give you a separate closet space in the room, the built-in closet is divided off with a sliding door in the front, allowing you to use the interior as an organised storage space.

RANGE OF SHUTTERS

Add beauty and elegance to your living space with Interwood shutter designs that are both, durable and aesthetically appealing to create the perfect ambiance.

With clear and crisp lines, Raumplus Fronts can go up to a height of 10' and a width of 4'. The clutter free panels add value to your interiors.
